Plaintiffs,

V.

Civil Action No:  
08-CV-327

Excelsior Insurance Company, et al.,

Defendants.

Dear Judge Baxter,

I have received your notice of ruling on Attorney Falgiatano's motion to with draw. At this point I have not hired another Attorney therefore I am proceeding Pro Se. As far as the corporate plaintiff it was stated I could not represent pro se. Is that true even though I am the Plaintiff? I am petitioning the court via this letter to reopen my case. My reasons are the same as I expressed in my notice of opposition to Attorney Falgiatano's motion. I strongly believe the case should be reopened. I understand that a motion 60 has to be filed with the court. Can the court provide me with a blank motion 60 document.

Sincerely,

A handwritten signature in black ink, appearing to be "J. Viscomi".
